

TOWABLE WHEELBARROW TRACTO'ONE

Use

Towable and adjustable wheelbarrow to any type of tractor.
Ideal for maintaining open spaces allowing the easy transportation of large bulky loads (soil, plants, hay, manure, etc.).

Load capacity: 150 kg

Product advantages

- Towable and large capacity wheelbarrow, ideal for maintaining open spaces allowing the easy transportation of large bulky loads (soil, plants, wood, hay, manure etc.). Light and handy product. Polypro tray shockproof and weatherproof, easy to clean.
- Adjustable to any type of little tractor equipped with a pin of harness. Do not use on public roads.
- Can be used as a standard wheelbarrow by returning the 'beam', with an easy grip to pull or push the wheelbarrow effortlessly.
- Wide tyres provide rolling resistance and limit marks on the grass. Pneumatic wheels with roller bearings for more comfort.
- Angled tray for easy un-loading.
